

Financial support when you most need it

How Circles of Protection work

Life comes with many uncertainties, making it important to protect your loved ones as best as you can. Circles of Protection allow you to customise the right protection for your family.

Do you ever wonder:

- what would happen to your dependants if the unthinkable happens to you?
- if you would be able to support your family if you are no longer working?
- if you can afford the expensive medical costs and support when you need it?

Circle 1

In the event of an accident leading to Loss of Life, Permanent Total Disability (PTD) or Partial Disability, Circle 1 takes away financial worries by providing guaranteed payments.

Accidental Loss of Life

Circle 1 ensures that your dependants won't suffer financial hardship. In the event of your Accidental Loss of Life, a lump sum payout ensures that your loved ones will be in a position to meet their financial obligations and cover essential costs like housing, household, education and healthcare expenses.

Permanent Total Disability

At any given age, the chances of an accident leading to Permanent Total Disability are much higher than the odds of losing a life. However, serious injuries resulting from an accident can cause severe financial problems. Circle 1 will protect and enable you to:

- meet your financial commitments through guaranteed cash payments.
- access 25% of the Principal Sum after 6 consecutive months of Permanent Disability.
- enjoy the balance in equal monthly payments over a period of 3 years.

Permanent Partial Disability

Circle 1 also gives you a cash payout to help you manage the circumstances of becoming partially disabled due to an accident.

Eligibility

Circle 1 is available to an employed person and an unemployed spouse between the ages of 18 - 66. It is available to children between the ages of 1 - 19 years, or 23 years if the child is a full time student.

Circle 2

Accident Disability Income (Weekly Benefit)

Accidents often result in a temporary inability to work and earn an income. In such circumstances, the Accident Disability Income will provide you sufficient funds to meet your day to day commitments. This benefit helps replace your lost income by giving you a weekly payout from day one of your disability for up to two full years. You will receive up to 75% of your earnings every week, while not exceeding 7.50 per 1000 of Circle 1's cover. Weekly Accident Disability Income Benefit is only available with Circle 1 to employed individuals between the ages of 18 - 66.

Circle 3

Accident Medical Expense Reimbursement

Accidents can lead to very expensive medical treatments that often represent a financial burden on you and your family. Circle 3 provides a comprehensive cover for all reasonable, customary and necessary accident-related medical expenses both in and out of hospital ensuring that you get the best possible treatment.

These include:

- Physician visits
- Prescription medicines
- Prosthetic devices
- Ambulance costs
- Physical Therapy
- Prescription medicines
- Medical equipment
- Hospital room and board
- Nursing and Surgical charges

Accident Medical Expense Reimbursement is only available with Circle 1 up to 50% of the Principal Sum.
