Healthcare without barriers

access the best healthcare from across the globe

3 MetLife provides a detailed medical report and treatment options from overseas healthcare experts

4 The customer reviews the treatment options from global healthcare specialists and agrees on their preferred treatment plan

5 MetLife then arranges and pays for travel, visas and accommodation for the customer and their companion

6 The customer undergoes the specialist treatment and MetLife pays the hospital directly

7 Once treatment is complete, the customer returns home to recover

8 MetLife reimburses ongoing medicine costs and arranges any follow up appointments needed

9 Customer is happy, healthy and on the road to recovery
